Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

RECEIVED

AUG 26 2002

Technology Center 2600

Sir:

Further to the Request for Continued Examination (RCE) filed herewith, and further to a July 9 personal interview with Examiner Luu and Examiner Chung, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claims 1, 3, 9 and 29-32 as follows:

- Sub
FI
1. (Three Times Amended) An information display apparatus, comprising:
a display unit that displays information;
display control means for controlling a display operation of said display unit;
and
an operating unit that designates a display operation of said display unit, said display control means causing a new line of characters to be started wherever it would otherwise be required to break a word across two lines of a plurality of lines of characters of said information, and displaying the plurality of lines of characters of said information on
